

Good day Harbor Pointers! Once again it seems like we've completely skipped Spring and found ourselves in full blown Summer since June. That's not such a bad thing as long as we have our cool refreshing pool and some frosty, cold beverages to enjoy. I'd like to thank all our guests for a great turnout at our kickoff party back in June. I would especially like to thank all the volunteers who helped to ensure a good time was had by one and all. The harbor was absolutely buzzing Tuesday July 3rd with spectators treated to a perfect view of Alton's fireworks from the Point. Lots of boaters enjoying the spectacle from the river as well. Upcoming events at Harbor Point include August 18th featuring entertainment by Random Rooster, Caribbean Night on September 15th with music by Lenny Frisch and special thanks to Scott & Gary from Desperados who will once again be cooking Hams & Hogs, and the traditional end of year party October 13th with the Haunted Hayride and Homemade Harbor Chili.

Everyone should be receiving their invitations for the July 21st 80s Throwback party via email. We are always updating our mailing list, so if you have not received an invite, please contact Harbormaster Gary Kuncar at 636-899-1513 or email at garykuncar65@gmail.com and we will add you to the list.

While summer is in full swing, please make sure you are enjoying the season safely. In this heat it is all too easy to dehydrate yourself and run the risk of heat exhaustion and heat stroke. Make sure to temper your cocktails with some cool water in between rum & cokes or margaritas. Take frequent breaks to cool off if you're working outdoors and keep plenty of sunscreen on hand. Chances are you won't know how badly you're sunburnt until it's too late. When you're up at the pool enjoying the cool water or grabbing some sun, please remember we're all neighbors here. Let's maintain respect for each other and the rules. We ask that no glass bottles or containers be brought into the pool area and that's just for safety. We also ask smokers to refrain from smoking in the pool area. With all the trees around the pool, it's tough enough to keep debris out of the pool, so we sure don't need your butts in there. Lastly, keep in mind that Harbor Point is a family marina. You'll find all ages in and around the pool, clubhouse, and lifthouse. Let's make sure our conduct, words, and actions are appropriate for all. Until next month, we wish you calm waters, cool breezes, and frosty beverages.
